LITTERBUSTERS

The Residents Association would like to hold another clean up day on SATURDAY 21ST JUNE 10.00 - 12 noon, and 2.00 - 4.00 p.m. as before. Black bags will be provided.

Obviously there won't be as much litter but enough is around to make it worth the effort.

The Parish Council wholeheartedly support the anti-litter campaign and now have the Works Dept. picking up rubbish and emptying bins more frequently than before.

We are soon to have a bin at the top of the spine path by Pheasant Rise but please note our kids are still at it - making mischief - a bin was removed from behind Foxhollow recently. Please have another pep talk with your youngsters.

I have been asked by the Works Dept. to say to the people responsible for the dirty nappies being placed in bins near Otter Gardens and the Health Centre - DON'T DO IT. This wil only result in these bins being removed.

Thank you, keep up the good work - take a bit of rubbish home with you, remind older kids not to throw soft drink cans around. I must have picked up a dozen in the last two weeks.

BAR HILL CATHOLICS

Welcome to anyone who is new to Bar Hill. We have Mass each week, on Saturday evenings at 6.00 p.m. in the Church Centre. This is an anticipatory mass of Sunday, and so fulfils the Sunday obligation.

Colours Club, for children of primary school age attending non-Catholic schools, is held every Tuesday afternoon during term time, from 4.00 p.m. until 5.00 p.m. in the Church Centre. Please contact me or Margaret Moffat (CH 82366) if you have children who would like to come.

This month sees the Village Fete on Saturday 28th June, at which we shall have a stall selling cakes, plants, toys, books, white elephants, etc. Any items for the stall will be gratefully received by Bunty Waters, 77 Foxhollow (CH 81493) or by me.

The following day, Sunday 29th June, is a very special day for us, as several children from Colours Club will be making their first Holy Communion. On that weekend ONLY there will be no Saturday Mass, as Mass will be on the Sunday, at 12.00 noon in the Church Centre. There will be a party afterwards, to which everyone is invited. Please do come and celebrate with the children on their, and our, special day.

Please give me a ring, or call in, for more information on any of this, or on Catholic activities generally in the area - or just for a chat and a cup of tea.

Chris Avery,
34 Acorn Avenue,
CH 81233

THE ROYAL BRITISH LEGION

We were very pleased to welcome a quiz team from the Bar Hill Social Club to our meeting on 15th May, and were equally pleased to beat them after an extremely hard fought contest.

The main business of the meeting, however, was obviously the Village Fete held on 28th June, and it was decided that our British Legion contribution would be substantially more this year.

The British Legion stands will feature the established favourites such as Darts, a Magician for the children, the second hand book stall and a "Tip the Lady out of Bed", so the queue starts here! In order to demonstrate the breadth of "Legion" activities we will have a stand manned by the British Legion Attendants Company Limited, demonstrating their Security capabilities.

We are, of course, still looking for new members, and all Servicemen, ex-Service personnel and their dependants will be more than welcome either at our next meeting at the Farmhouse at 20.15 hours on Thursday 5th June, or at the Fete on 28th June, when membership forms will be available.

We look forward to meeting you.

I, and my family, would like to thank my neighbours in Partridge Drive (and others) for their help and comfort when my husband collapsed suddenly on Monday 5th May 1986.

He died peacefully in hospital that same day.

Thank you,
From Mrs. I. Barnes, Ann, Terry and family.

DISTRICT COUNCIL REPORT

Firstly, on behalf of the District Council may I thank Mr. Tom Flanagan for the work that he has done over the past eight years for the ward of Bar Hill, Oakington, Westwick. He has always been conscientious and thoughtful for the people he's represented.

At the Annual Parish Meeting concern was expressed about the waste rubble outside Kitchen Range. I have since contacted Mr. Hutchings, Environmental Services Officer, and the site has been inspected. In his reply he states that the Company are in the process of refitting their premises hence the disorganisation on the forecourt. It is anticipated that the situation will return to normal within three months, needless to say, I shall continue to monitor the situation.

The District Council has always, since its conception, supported the Cambridge Enterprise Agency financially and two Councillors sit on the Board. At the last finance meeting it was agreed to guarantee loans to small businesses within the district where the applicant has secured a loan from a bank and has met the banks lending criteria. These loans would be in the range from £500 - £5,000 and it was agreed that it would be most helpful to those trying to set up small businesses. It was also felt that the financial risk to the Council would be small and regular reports to the Finance Committee would be requested.

BAR HILL BROWNIES AND GUIDES SUPPORTERS GROUP

The group is now one year old and thriving. Our aim is to organise fund raising efforts and generally support the Guides. Our recent Annual Open evening was a great success. Thank you to everyone who came and showed interest.

Geraldine Brett has become a uniformed guider and so has retired as chairman. We all thank her for her hard work and leadership over the past year.

At the village Fete on 28th June we are having a Tombola Stall and also selling Webb Ivory goods. On Saturday 5th July at 2 p.m. in the Scout Hut we are holding a Jumble Sale. A collection will be made, anyone with Jumble needing to be collected can contact me.

DAVE AND GERRY'S DISCOS

As I sit here writing my latest masterpiece I am watching a Star Trek film will all those "Beam me up Scotty's". It reminds me of Angus's last disco with all its "gimmickry" and flashing lights. I'm sure you all wish him well as a married man and enjoyed his "party night" on 9th May.

I am in the process of booking discos for 13th June and 4th July, so if you have any suggestions please let me know a.s.a.p.

I feel I should mention Sarah Tabbitt whose birthday was on 26th May and should have been in last months issue of Bar Hill News (we could all have had a free drink). Never mind she can treat us next time.

On to other things - did any lady lose a watch at our 9th May disco - if so contact Dave on CH 81048. So that I don't get killed in the rush you will need to tell me the colour of the strap.

By the time you read this I will have just returned from holiday (Ibiza) on 13th June, which is the same date as one of our discos so I may be feeling a bit fragile, if so both Gerry and I can be revived with a pint of I.P.A.

Finally, we will be restricting our advertising to local area only, as we don't want to encourage too many outsiders.

Finally, finally, profits from our last effort will be sent, as requested, to the Bar Hill Toddler Group and Residents Association.

Dave and Gerry

BAR HILL ALLOTMENT SOCIETY

Not much to report this month, but of primary importance is the annual "BEST GARDEN COMPETITION" - so get those gardens tidied up and try to wrest the winners cup from No. 10 Hollytrees. More details next month.

A reminder that we have plenty of plots for rent and the shop opens every Sunday 11.30 - 12.30.

A further request to dog owners to keep their pets on a lead when walking them across the allotment site as they can damage young plants.

All details regarding the allotment site can be obtained from me - Dave on CH 81048.

Hope to see new and old faces any Sunday in the shop. Happy gardening.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNCILLOR

Dear Resident,

My congratulations to Alec Green the newly elected South Cambridgeshire District Councillor for Bar Hill. I would also like to pay tribute to the dedicated work put in by Tom Flanagan over the past eight years.

I am pleased that Bar Hill Community Primary School has won the fight to employ a higher grade Teacher in recogition of extra responsibilities. However, I was very disappointed to learn that staffing allocations will remain the same for the next academic year despite the projected increase in pupils. As our School already has one of the highest Teacher/Pupil ratio's in the County I have appealed to the Area Education Officer who has assured me that the situation will be reviewed but probably not until the Autumn.

I have received a number of letters from Bar Hill Residents concerning the flaw in the Rate Rebate System which prevents people entitled to a weekly Rate Rebate of under 50p from receiving any repayment. I have taken this up with Francis Pym M.P. and would be pleased to hear from anyone else who has experienced similar difficulties. I urge anyone who thinks they may be entitled to a Rate Rebate to apply, forms are available from South Cambs. District Council.

GOVERNMENT GREEN PAPER ON RATE REFORM - NON DOMESTIC RATE

In 1984/5 these contributed nearly £8 billion of the Rates which is a quarter of the total of National Rate Expenditure. Over 50% of this comes from commercial property, 19% from industrial with the remainder frm Public Utilicies, Educational and National Government Bodies. The Rates levied by Local Authorities vary greatly from 291p in the £ to 137p in the £. This means that similar Businesses with identical Rateable Values can face Rate Bills that differ by as much as 113%.

There are three possible options for reform.

1. The complete abolition of Non-Domestic Rates with the loss of revenue being replaced by increasing National Taxes by 7p or adding 10% to V.A.T.
2. To re-introduce the Business Vote, thereby making the Local Authorities directly answerable to the Business Ratepayer.
3. A National Non-Domestic Rate levied throughout the Country which would be pooled and re-distributed to Local Authorities on an equal amount per adult. (On 1984/85 figures this would amount to £185 per adult.) The National Rate would raise a similar amount as that of the current system, to be increased in subsequent years in line with inflation. Local Authorities having discretion to levy a Non-Domestic Rate of up to 5% which they would retain.

The Green Paper rejected the first two solutions in favour of the third.

If anyone wishes to contact me please either telephone on "Careline" Crafts Hill 80975 or write to Cllr. John Reynolds, 4 Puttitts Close, Dry Drayton.

PARISH COUNCIL NOTES

The Annual Parish Meeting, held on Thursday 17th April in the Church Centre, was attended by 34 people.

Viking Way

The Chairman expressed concern at the condition of Viking Way and hoped that this could soon be adopted by the County Council. Mr. Reynolds assured the meeting that he is doing all he can in pursuing the matter with the County Council.

Trees

The 10,000th tree was recently planted in the Village, this being four years from the start of the Tree Planting Programme. 650 trees were planted last year alone and 450 are due for Autumn planting.

Library

Mr. Reynolds reported that Bar Hill should have its own permanent Library in 1988/89.

School

Bar Hill is to be included in a project to build 3 classrooms. There is also a need for one extra member of staff. Mr. Reynolds is pursuing this.

Tesco Landscaping

Mr. Flanagan reported that it was hoped to take up this matter and ascertain the original landscaping plans in order to bring the landscaping to a more satisfactory standard.

Kitchen Range

The untidiness of Kitchen Range's Service Area was discussed as it was agreed that this seemed to be a recurring problem. Mrs. Cruse explained the problem was being put before the Environmental Health Committee, and she would pusue this on the Village's behalf.

TO ALL THE RESIDENTS OF BAR HILL

I would like to thank you for electing me as one of your District Council members on 8th May 1986, and to pledge to serve you all to the limits of my ability for my term of office.

Although being a District Councillor is still regarded as a part time occupation, I would like to repeat a statement made in my election literature, that I have the time to devote myself completely to service of the electorate at the District Council.

Many issues which vitally affect Bar Hill will have to be considered by the District Council during the next four years, notably the new Structure Plan which is expected shortly. On all issues, I will be looking at them from the viewpoint of the Residents of Bar Hill and not on any political criterion.

I will look forward to hearing the views of anyone with problems, either personally, or through surgeries to be held on a regular basis with my Council colleagues, or at Parish Council level. I hope to communicate items of interest and importance by means of articles published in the Bar Hill News.

Once again, very many thanks for your support.

Alec Green,
16 The Brambles,
Bar Hill.

SWAVESEY VILLAGE COLLEGE

The Community Arts programme has been happily launched. Particularly successful have been the "Clown for a Day" session for 60 young people and the visit of Doug McClean of the Mantis Dance Company who worked with children and adults. Still to look forward to we have the RADSOC production of "Outside Edge" and the evening of Opera, starring Over resident, professional singer Kathy Cowan.

The Community Swimming Pool has been successfully "relaunched" and is open most evenings and weekends - details from the Community Office (tele: 30373).

During the next two weeks a feasibility study will be conducted in the community to assess the potential for creating an Arts Centre on the College site.

On the 'school' side we are all looking forward to our Open Evening which by the time you read this will have taken place. I hope that many of you will have been able to visit us.

Change is in the air at Swavesey Village College. We are confident that it will not be change for its own sake, but will contribute effectively to the quality of educational and leisure opportunities open to all members of our community, of whatever age.

P. J. Talbott,
Warden

BAR HILL COMMUNITY PRIMARY SCHOOL

School Entrants September 1986

Will parents of all children who will be 5 before and including 5th January 1987 please register their child at the school. If your child attends either of the two village playgroups this will not be necessary.

Children born since 6th January 1982

To help forecast the schools requirements for teaching space it would be helpful if parents register their child as soon after it is born as possible. This will help the authority recognise any needs for the future which have not been allowed for in their pre-planning. Please register your child at the school as soon as possible.

Head Lice

This nationally reoccuring problem is with us once again - does it ever go away? The best cure is early diagnosis and all parents are requested to examine their childrens hair thoroughly for nits and/or lice. Remember they are fussy creatures and prefer nice clean well washed hair to any other abode. If in doubt about what you are looking for please ask.

'PHONE CAROL ON CRAFTS HILL 81692

TO ALL BAR HILL MUMS:

We moved from London to Bar Hill some 13 months ago and even though my two children do not attend Bar Hill school I am frequently down at the school meeting my neighbours children. I feel I must express on how appalled I am at the state of the health of some of the children that are sent to school. Why I ask myself, do mothers send their children to school when they are obviously not fit to be there? Not only is the child concerned miserable but is also spreading those nasty germs to his/her classmates.

The rule of the school in London that my children attended was that no child with a cough, cold, etc. was allowed to attend school until that child was fully recovered, and no way was a child who had a tummy bug allowed back into school until two days after the vomitting etc. had stopped. We found this rule led to very few children being absent from school through ill health. Unlike Bar Hill school, where children who have been vomitting one day are allowed back at school the next. I feel sure that is why the various viruses linger on and on at Bar Hill and seem never ending.

Surely it is far better for one child to be absent from class than half a dozen or more. So come on mums please be more caring to others when your child in unwell. Why spread those germs, if your child is unwell, keep that child at home - and teachers, why can't you express your views and not allow a child to attend school if you feel he/she is unwell or has been sent back to school too soon. Let the parents know, after all you are at school to teach the children not to be nursemaid to them.

If there are any other mums out there who feel the same as I do, please let it be known how you feel, or write to the Editor as I have done. Perhaps in a future edition of this magazine we would have a questionnaire on this subject. Why not compaign to make Bar Hill School a healthier one for our children to attend.

Little Meadow

BAR HILL COMMUNITY PRIMARY SCHOOL

This month sees the start of a course primarily aimed at the young sters in the village who aspire to or who have aspirations of a motorcycle. This is another course on the same ideas as last years very successful course where the youngsters all tried their hands at various aspects of riding and maintaining a motorcycle. The best participant received a token of his (in that particular case) achievement and much fun was had by all as well as solid worth of instruction. Because of the success of last year I am hoping that parents will encourage and the youngsters themselves will want to come along to the first meeting on Tuesday 24th June at 7.30 p.m. I particularly hope that a few lasses will come along this time too.

Also this month as part of the Swavesey Art Groups activities we will be hosting a special day for Youngsters on Saturday 28th June. This will take the form of a Play in a Day drama workshop led by Peter Haynes. More details on that will be available either through Swavesey V.C. or from me nearer the date.

Another date for your diary for next Autumn this time, is Tuesday 21st October. It seems a long way away but I am hopeful that various groups in the village won't be holding their A.G.M. or any other extra special meeting that night so that it will preclude their members from coming along. The Milk Marketing Board are coming with their goodies to give us a Cooking demonstration on that evening. They will only undertake to put on their show for audiences of 100+ so I am hopeful that as many of you as possible will want to come, hence the very advanced warning. Again more details later.

This month sees the departure of most of the Primary School on its various summer outings to diverse venues. Two of the venues might appeal to our senior citizens and you are invited to join us on these trips. The first is to Kilverstone Park on Wednesday 18th June leaving at 9.15 a.m. and returning at 3.30 p.m. The cost of this will be £3.25 inclusive of entrance and coach. The second is to Woburn Safari Park on Thursday 3rd July leaving at 9.15 a.m. and returning here about 4.00 p.m. The cost of this will be £1.50 for the coach journey only. The admission charges for the Park are Adults £4.00 and Senior Citizens £3.00 extra. Should you care to accompany the children - but of course be entirely free of their care - on either or both of these outings please let me know. There are only limited spaces available so please do not just turn up on the morning of the trip because the coach may already be full.

When I started this letter to you I didn't think I had much to tell you about but it seems there was. I do hope that one, at least, of the items mentioned above appeals to at least one member of your household and if it doesn't please let me know what might.

Irene Abraham,
Community Co-ordinator
